The Honorable Mitch McConnell  
Minority Leader  
United States Senate  
Washington, DC 20514

Dear Congressional Leaders,

The undersigned diverse group of business associations, hunger and development organizations, agricultural groups, environmental groups, budget hawks, grassroots groups and free marketers urge you to **support the McCain Amendment, No. 411**, to the Economic Development Revitalization Act (S. 782), which would protect taxpayers from being forced to pay for ethanol pumps and storage facilities. We believe that taxpayers should not foot the bill for ethanol infrastructure; instead, this cost should be borne on the fuel-providing (ethanol and oil) industries themselves.

Sincerely,
